

Travel Insurance for Sun Life workplace plan members

Worry-free travel for your employees

We commonly get questions from Sun Life workplace plan members regarding additional travel coverage to complement what's available under their employer plan. Through a new referral arrangement Sun Life Financial has with RSA Travel Insurance, plan members can now obtain additional coverage at preferred rates to complement the coverage provided in their employer plan. Additional coverage options include: supplementary emergency medical, trip cancellation, trip interruption and baggage protection, as well as emergency medical coverage for visitors to Canada, including Super Visa applicants.

Benefits for employers:

- Increase plan value for your employees
- No additional cost or effort for you

Benefits for plan members:

- Comprehensive travel protection for the whole family at preferred rates¹
- Flexibility to purchase emergency medical or non-medical coverage separately, or as a bundle
- Provides an option for members to extend their existing coverage for longer travel periods
- Easy to enrol – online, mobile or by phone
- No medical questionnaires at time of enrolment for clients age 54 and under
- Peace of mind for members helping family with Super Visa requirements

How it works

When plan members inquire about additional travel coverage through the website or our call centre, we'll let them know about the RSA Travel Insurance arrangement. From there:

1. Interested plan members can contact RSA Travel Insurance:
 - a. By phone: plan members call RSA Travel Insurance at a dedicated, toll-free phone number
 - b. Online or using their mobile device: plan members can obtain a quote for coverage and apply through the RSA Travel Insurance website.
2. RSA Travel Insurance Travel Sales Representatives (TSRs) will help plan members understand what additional coverage they may need.
3. Sun Life plan members will enjoy a preferred rate as compared to standard rates offered to individuals going directly to RSA Travel Insurance.¹
